Gentlemen:

A few days ago I left a package of literature on the Union St. Car, pertaining to fig and olive industry and upon phoning was advised that it had been turned in. As it is rather inconvenient for me to get out there and get it, will appreciate your mailing me the package and enclosed you will find 5¢ in stamps which I believe will be ample to cover the postage but if it is not, I will be very glad to mail you the excess.

Thanking you in advance for your trouble in the matter, I beg to remain,

Yours very truly,

(Mrs) D. Morgan.
